

Government-funded youth employability schemes:

Business engagement journey

A toolkit for employers

Sometimes starting out in the youth employability space and accessing the right government schemes can be daunting. That's why **Movement to Work (MtW)**, in collaboration with **Accenture**, has created a toolkit to help employers understand government-funded youth employability schemes.

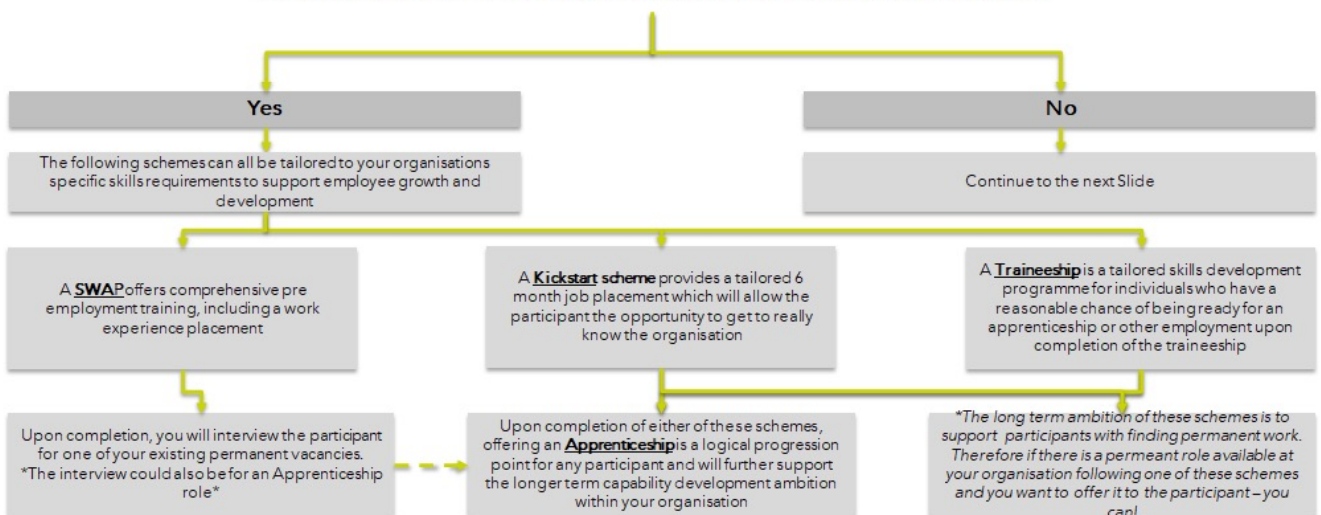

Get in touch with a member of the MtW team to receive the full toolkit, start unlocking government-funded schemes and boost your young diverse talent pool.

The toolkit provides an employer lens on:

- ✓ Details of four key schemes
 - **Kickstart**,
 - **Traineeships**,
 - **Sector Based Work Academies**
 - **Apprenticeships**
- ✓ What schemes are available
- ✓ What scheme might be most appropriate for their business
- ✓ How to engage and enrol onto the right scheme for their business
- ✓ Outlines processes to follow for each scheme
- ✓ Shares key considerations and learnings from across our employer network around how to deliver government-funded youth employability programmes

Why is your organisation wanting to explore government funded youth employability schemes?

DID YOUR TOP 3 PRIORITIES INCLUDE 'DEVELOP AND RETAIN SPECIALISED CAPABILITY AND FUTURE TALENT' or 'LONG TERM WORKFORCE EXPANSION'?
